PROGRAMME FEE GUIDE

When can I enrol?

Immediately! Damelin Correspondence College (DCC) has no set semesters, so you can start your studies when it suits you!

Please note that for High School Programmes, certain assignment and exam registration cut-off dates apply.

How do I enrol?

Enrolling at Damelin Correspondence College is as easy as A, B, C

- A** Read the brochure and decide on your programme
- B** Complete the enrolment form and be sure to read the terms and conditions of the agreement on the back of the enrolment form carefully
- C** Email your completed Enrolment Form to websales@dcc.edu.za or visit your nearest DCC Branch

A student consultant will contact and assist you in completing the registration process.

What other costs are there?

Your programme fee includes all the study guides required for the programme. Textbooks, exam and institute fees are, however, excluded.

Can my employer sponsor me?

Yes! You should speak to your manager or HR department. Companies encourage their employees to further their education and are often willing to offer financial assistance.

How do I pay?

We have various simple options to choose from. You'll notice that the early bird price is considerably less than the monthly instalments added together, so take a minute to decide which works best for you.
